April 7, 2017

**The deadline to mailed all applications and documents has been extended to May 3, 2017.**

February 15, 2017

Dear Pastor and Congregation:

The Pee Dee Baptist Association will award scholarships to students attending Morris and Benedict Colleges during the 2017/2018 school term. In order for members of your congregation to qualify, they must complete the enclosed application indicating college of choice and provide all required documents as indicated on the application.

All applications and documents must be addressed and mailed by April 3, 2017 so the scholarship committee can determine the recipients for the 2017/2018 academic year. Please urge the students in your church who are planning to attend or are in attendance at either Morris or Benedict College to apply. They do not have to pursue a religious education major.

A Scholarship Program Brochure and application are enclosed that you may copy as necessary for students desiring to apply. Please do not hesitate to call me at (843) 332-2926 if you have questions. It is our desire to assist you in any way that we can.

Yours in the service of Christ,

Hattie E. Hughes  
Scholarship Coordinator

Henry B. Peoples
